Launch of SEC 'Enable' Grants

The Church in Society Committee of the Scottish Episcopal Church has relaunched its grant funding scheme to support projects which work to enable life in all its fullness for children, young people and their families.

The Enable Grant, which was previously known as the Child Poverty Grant, can be used to access up to £5000 in any one year. The Church in Society Committee is interested in funding a wide range of initiatives and there are no prescribed types of project.

As long as the group seeking support has a connection to an SEC congregation and is meeting a real need in that congregation's community (expecting to impact on the lives of children, young people and their families), the application will be considered.

All applications should be made using the approved Enable Grant Application Form. This can be accessed via the provincial website, alongside two further documents which detail the Enable Grant's background and its criteria & monitoring. To access these documents, please use this link: <https://www.scotland.anglican.org/enable-grant-launched-to-support-projects-for-children-young-people-and-their-families/>

Tay Copes Project

Copes are worn in church services for festivals, diocesan gatherings and great occasions. The **Tay Copes Project** is the creation of a set of Chapter Copes for the Cathedral and Diocese of Brechin. Specially designed for Brechin by the Embroidery Workshop of Derby Cathedral, they are inspired by the Tay, with ornamental hoods each slightly different to reflect the different moods of the river: morning and evening, ebb and flood, winter and summer.

On Sunday 25 June the full set of Copes will be presented and blessed at Evensong in the Cathedral at 5.00 pm. You are invited to come along; or if you

aren't able to, you'll see the Copes at the installation of a new Dean on Sunday 27 August, and at many diocesan occasions in the future.

If you would like to contribute towards the funding of the Tay Copes (you can give a Wave, a Ripple or a Splash), donations are very welcome and details for how to donate are at www.saintpaulscathedral.net/tay-copes.
