supported by the Churches

## VOLUNTARY COMMITTEE MEMBERS

We are looking for volunteers to become Committee Members, with skills in **finance**, **secretarial skills** social enterprise, marketing, **fund raising** and **team management** .

Starter Packs Dundee is a registered charity responding positively to help the homeless and needy in Dundee. Starter Packs are provided for those people unable to provide themselves with basic household goods

The challenging economic environment has placed a greater demand on our services at the same time as it is becoming increasingly difficult to source goods and funding. This is a chance to make a real difference to the lives of people in our communities.

We are looking for individuals with a background in any of the above disciplines but most importantly we need people with a passion and commitment to make a real difference.

### **Commitment Required**
